#### Introducing Scotia eCom+™

- **a new digital payment acceptance solution for businesses.**

Are you looking for a digital payment solution for your business? Now, you can get set up to accept online payments from your customers within 24hrs with [Scotia eCom+™](#).

“We’re really excited to launch Scotia eCom+™, enabling clients to start accepting credit and debit card online payments from anywhere in the world” stated Suzette Armoogam-Shah, Managing Director, Scotiabank Barbados. We continue to invest in solutions that drive business value for our clients and support their transition to more secure and convenient digital options” she continued.

With Scotia eCom+, you can:

1. Accept customer payments using Scotiabank’s secure payment page.  
You can redirect your customers from your .COM to Scotiabank’s secure payment platform by embedding the payment form into your website, to process payments.
2. Add a customised payment page to your website. Scotiabank will work with your web developers for an easy integration of Scotia eCom+ to your site. Your customers can complete purchases and get instant payment notifications via email.

“Scotia eCom+™ is affordable, easy to use and allows for real time payment authorisation. The payment page is fully customisable and compatible with all mobile devices so that you can process your orders easily and more efficiently” stated Armoogam-Shah.

For businesses that may not have a completed website, Scotia eCom+™ Virtual Terminals offers the option to accept payments in real time. “If you’re a business with mainly a social media presence, we can help you as well. Reach out to us today via email: [gtb.merchantservicesbarbados@scotiabank.com](mailto:gtb.merchantservicesbarbados@scotiabank.com) to get started” concluded Armoogam-Shah.
