

## SCOTIABANK (BARBADOS) LIMITED

August 17, 2023

### Helping provide youth with essential back to school supplies.

Scotiabank has once again collaborated with Eden Lodge Youth Charitable Trust on its annual programmes, including this Back-to-School Programme, where families/students are provided with vouchers to go shopping for their essential school supplies.

Scotiabank is committed to investing in the youth of Barbados. They are the future and as such, it is important to support them now so that they have the tools to succeed, rise up and realise their full potential.

At the presentation this year, Ryan Bascombe of Scotiabank Bridgetown commented “It is rewarding for me to be here today. As a Scotiabanker we always love to get involved and experience first-hand how we are making a difference in the lives of those in the community.”

He also went on to pay kudos to Eden Lodge. “We take this opportunity to commend the work of Eden Lodge in supporting the development of our youth. It’s great to work with persons who share our passion and commitment to providing opportunities for our youth to succeed.” Bascombe concluded.

Ryan Bascombe - Premium Relationship Officer, Scotiabank and Jade Small of Eden Lodge Youth Charitable Trust look on with students as Nekel Grant of Sandy Lane Charitable Trust reviews a textbook.
