

Notice to our customers

We recently completed a review of our branch network and decided that the operations of the Holetown Branch will be consolidated into the Warrens Branch, with the closure of the Holetown Branch, effective July 19, 2019.

As of July 19, 2019 customer accounts at the Holetown Branch will be automatically transferred to the Warrens Branch at CGI Tower. Customers can obtain further details on the transition of their accounts and services by speaking with a branch representative or calling 426-7000.

We look forward to serving you more efficiently at the Warrens Branch. This location offers an enhanced customer experience, with more parking options, a more modern, spacious branch and more self-service ATMs.

We thank you for your continued loyalty, trust and confidence and look forward to continuing to serve you.
