## A Celebration of 'Girl Power' at Launch of Scotiabank Kiddy Cricket Festival

*Barbados makes history in the Caribbean as first all-girls schools join Scotiabank Kiddy Cricket*

**BARBADOS, May 03, 2013**– It was a celebration of girl power this morning when the Scotiabank Kiddy Cricket Festival was launched.

The launch of the festival, which will run from May 18<sup>th</sup> to 20<sup>th</sup> at the Weymouth Playing Field, was held at Christ Church Girls Primary, one of three schools entering the program this term, along with Hindsbury Primary and Wills Primary School.

The occasion was made special by the news that Christ Church Girls and Hindsbury are the first two all-girls' schools to join the Kiddy Cricket program in the Caribbean.

Scotiabank's Assistant General Manager for branch banking, Jennifer Murray, an alumna of Christ Church Girls', praised the girls' schools for their ground-breaking participation, saying they were "making history for girls all over the Caribbean."

"In all of the 14 years that this program has been running and in all of the more than 700 schools around the Caribbean that have Scotiabank Kiddy Cricket, we have never had an all-girls' team – until now....We really hope that other girls' schools around the Caribbean will follow your example," urged Murray.

The girls at the school, particularly the new Kiddy Cricket team, got a glimpse into their potential future when West Indies women's team cricketers and twin sisters Kycia and Kyshona Knight addressed the assembly.

Kycia stressed "how important sport is to becoming a well-rounded young lady", noting it was a lesson she and Kyshona learned well at their all-female alma mater, Springer Memorial.

"It teaches you about discipline for sure – the discipline to actually train and practise to excel at your sport and second, you have to be disciplined to balance sports and school," said the 20 year old wicketkeeper-batsman.

Kyshona spoke to the girls about how sports taught her the value of patience, particularly after a severe knee injury when she was 16 years old required reconstruction surgery and a lengthy recovery that kept her out of sports for two years.

"I was an active 16 year old girl, I had always been involved in lots of sports and now I just had to stop. However I was not willing to let my dream die so I had to put in a lot of work. I had to be determined and more importantly, I had to be patient," she declared.

### **About Scotiabank**

Scotiabank has been sponsoring Kiddy Cricket since 1999, supporting coaching in over 720 schools in sixteen Caribbean islands." We are committed to supporting the communities in which we live and work, both in Canada and abroad, through our global philanthropic program, Scotiabank Bright Future.

Discover what's possible

Recognized as a leader internationally and among Canadian corporations for our charitable donations and philanthropic activities, Scotiabank has provided on average approximately \$47 million annually to community causes around the world over each of the last five years.
