

Include Me!!

Scotiabank is working with the Rotary Clubs of Barbados South and West to make the dream of a fully accessible playground for children with all abilities, a reality.

The bank has launched a “Customer Donation” campaign and is asking its customers and all Barbadians to give generously to the Inclusive Play project - a

recreational facility, which will allow children with physical, cognitive and sensory disabilities, the opportunity to play.

Scotiabank is the title sponsor of the Inclusive Play project and has made it easy for its customers to support the Inclusive Play project, with online donations and donation stations at all of its locations.

This fundraising drive is part of the ‘Include Me’ campaign, aimed at spreading awareness about the project and encouraging all members of the Barbadian public to become involved. **Scotiabank customers can donate online at www.barbados.scotiabank.com in the same way as online bill payments are made or with cash donations at any of Scotiabank’s 7 locations.**
